## THE SITE

Atomic Paintball boasts arguably the best natural terrain for paintball games in the UK. The site is set in traditional English woodland and pine woodland. There are gullies, rocks, ravines, bridges and streams, making for exciting and interesting games to challenge both mind and body.

## BASE CAMP

The safe area is built around a barn located centrally within the woodland (avoiding any long walks to the game areas) and provides a large sheltered area, including toilets, seating, site kitchen and paintball supplies shop. The car park is adjacent to the base camp.

## EQUIPMENT

Atomic Paintball uses only the best quality equipment, paintballs

and supplies. We use Inferno Semi-Automatic paintball guns (or markers), supplied by local paintball specialists, Powerball ([www.powerball.co.uk](http://www.powerball.co.uk)). Inferno Guns are robust, reliable and accurate, giving our customers quality they can rely on.

## THE STAFF

All the staff at Atomic Paintball are paintball enthusiasts with years of experience. All the staff love both playing and marshalling paintball games. One thing is guaranteed, from start to finish, the Atomic staff will make your day not only safe, but fun and exciting too !

## THE GAMEFIELDS

All of our gamefields have been carefully designed with the player in mind. Our games are suited to customers who have never played before, along with those with more experience. The day normally starts with fairly simple games for players to learn how to use the equipment, then move onto more challenging and exciting games as confidence and ability improves.

We have a number of different games played throughout the day including The Church, Stockade,

Riot shield (Where you can use genuine Police Riot shields), Hamburger Hill, Holly Bush, Rockfield (With huge rocks and boulders to hide amongst !!) and Ridge, along with many more.

All of our games are constantly updated to ensure that there is always a new challenge for our regular customers to overcome.

## PERSONAL SERVICE

Atomic Paintball is a family owned Paintball Park, with the customer in mind. We only run games for a maximum of 50 players unlike many other venues which may have over 300 players on site. This enables us to give all our players an unrivalled personal service, making sure every player has both a safe and adrenaline pumping day out with a difference.

## SAFETY

Atomic Paintball prides itself on an excellent safety record. We are members of the UKPSF (United Kingdom Paintball Sports Federation) which sets stringent rules which members must follow when operating Paintball Games. All our players are automatically covered by our comprehensive specialist paintball insurance.
